# INTERNATIONAL USER GROUPS

## Invitation

### International User Group Conferences

**June 19-23, 2006**

**Riga, Latvia**

Dear member, dear customer,

We are pleased to invite you to this year's conferences for the User Groups VLDBMS, VLNUG and ENPUG. As announced, the conferences will take place from June 19 - 23, 2006 in Riga, Latvia.

Do not miss this opportunity to discuss your requirements with Software AG development and E staff. You can also share your experiences with other Software AG customers.

Please book your conference participation and hotel reservation by sending back the attached **form by May 06, 2006** or by using the online registration form in Servline24.

Following, please find some examples of presentations we agreed on so far. Nevertheless, we welcome and appreciate more topic proposals from your side, which you may wish to hear or present. No matter what the presentations would be, just contact the UG presidents or us!
